

arcguide
special edition 2023

Place your project

In the arcguide special edition 2023!

The arcguide editorial team prepares the booked project documentation editorially.

THE IDEA

Your reference will be edited, laid out and published on a double-page spread in the context of the participating architectural firm, with background information, interviews and a construction panel. Participation is limited to 15 manufacturing companies.

YOUR ADDED VALUE

Good references provide impetus for architects and planners. They inspire and inform. The journalistic documentation and the know-how of our specialist editors put your project in the limelight.

CRITERIA

- Project must not be older than 2 years
- Meaningful photographic material available
- Consent of the client for editorial preparation
- Contact details of the architectural office involved

Participation

in the arcguide special edition 2023!
