md Special ORGATEC 2024

The most important content and topics on office and acoustics are published. Strong in judgment, but also critical and considered in detail. The special is therefore the ideal communication platform for your products and offers an adequate environment for advertising communication. The editorial expertise stands for the highest quality content.

- + Interviews
- + Technical articles
- + Products
- + Trends and much more

The Orgatec Special

is a special publication of the magazine
md INTERIOR DESIGN ARCHITECTURE

As a supplement in **db deutsche bauzeitung** 11/2024, the special reaches all important architects who work in an advisory capacity and plan office projects.

Additional distribution to visitors of trade fair Orgatec and to participants at the md event "Office & Acoustics" on the evening before the start of Orgatec.
