### .OFFICE

Offices are becoming well-established meeting places: that's why md introduces projects with appealing, functional and aesthetic **meeting and conference zones**. An extensive **product spread** presents matching furniture and accessories. The section is rounded off with a feature on the state of the art **in office lighting**.

### .SANITARY

There is a growing trend for more **cosiness** and colour in the bathroom. md informs about modern building blocks that are especially useful for **renovations**: from bathtubs to XXL shower trays, from attractive fittings to complete sanitaryware collections, including the latest products from the **Salone del Bagno**.

### .HEALTH BUILDINGS

There is no smooth return to life after a serious illness. md analyses the design requirements for **rehabilitation facilities** with a particular focus on **flooring, lighting and choice of materials**.
