FOCUS

BUILDING WITHIN EXISTING CONTEXTS: DB AWARD “RESPECT AND PERSPECTIVE”

Photo: db

160 YEARS OF DB

For the past century and a half, db has been synonymous with critical, opinion-shaping architectural discourse. In addition to the well-founded specialist articles published in the magazine, the brand now connects with its target audience via its new website, social media channels and high-profile talks and events. Short articles in the magazine section provide insights into important events and topics covered by db

BUILDING WITHIN EXISTING CONTEXTS – 2026 DB AWARD “RESPECT AND PERSPECTIVE”

Initiated by db 12 years ago, this architecture award celebrates outstanding projects that respect the existing fabric while opening up new prospects for its future. As the first award of national scope to focus exclusively on existing buildings, it has become firmly established within the profession. This issue presents all of the 2026 winners and honourable mentions in detail.

Building in existing structures in every issue

REFURBISHMENT: HISTORIC HARTMANN FACTORY IN CHEMNITZ

The extensive renovation of the historic Hartmann factory in Chemnitz has transformed more than 2,000 m² into an open space for culture, interaction and events. The accompanying technical feature looks in detail at how the high-performance insulated façade was constructed.
